

ChildPilot Permission

Beginning now until the end of the year, our school will be adopting the CHILD PILOT Application. This App is a touchless sign in system, has automated message that will allow our school to communicate with all parents at the same time. In the event of inclement weather, school announcements, and any other important information, we can contact you through this App. You can pay online and you can receive invoices. Each user will have their own personal login, so all information is confidential. Your # is kept private and is only used for school communication purposes only.

I give my permission for Happyland Preschool & Kindergarten to use my information in the Child Pilot App.

Child's Name (PLEASE PRINT)

Parent/Guardian Signature
