

Field Trip Permission Form

During the school year your child may be going on a few field trips. Please read and fill out the information below.

I am aware that a parent or designated adult must transport my child to and from all field trips. I understand that this person or myself must stay with my child throughout the trip. If myself or another designated adult cannot attend the field trip with them, I understand that I will have to keep him/her home from school that day.

I give my permission for (child's name) _____
